Best Places to Go Sledding and Tubing for Seattle-Area Kids and Families

Sledding is the definition of a screaming-good time. We've tracked down a handful of awesome sledding hills where you can go to enjoy the thrill of slipping and sliding your way down a snow-packed hill (weather permitting, of course). Speaking of which, we recommend always checking conditions and open/closed status before you go.

Here are some places for families sledding fun:

Focus Day Registration Now Open

Join us for Focus Day on Monday, January 15, 2024, IN PERSON in Olympia to advocate for children and schools with elected officials. All WSPTA members are welcome. Bring your children to join in the fun!

Gather in the Columbia room to network with fellow PTA advocates and hear speakers. There are also two Capitol tours for just PTA members and their families.

Register for Focus Day today! The event is free. You can sign up for one of the Capitol tours (limited spaces on the tours) and order a boxed lunch (for an additional charge) when you register. For more information on Focus Day visit the Focus on Advocacy page. Registration for Focus Day closes at noon on January 12.

Focus Day Q&A Opportunities

In preparation for the upcoming Focus Day in Olympia on January 15, 2024, our Focus on Advocacy team is going to run two Focus Day Q&A sessions. There is no program for these sessions so we can answer as many questions as possible about Focus Day, how to best prepare, and setting up meetings with legislators.

These two Q&A sessions are a must for anyone wanting to learn more about Focus Day, especially our first-time attendees. You can register for either of the sessions on December 6 from 7:00-8:00 PM or on December 12 from noon-1:00 PM.
