YOU BELONG • STAY CONNECTED

Dear Tyee Community,

It is with deep sadness that we share the news of Edward Huang's passing. Edward was not only a Tyee Dad but also a cherished member of our community, known for his unwavering commitment to service, selflessness as a volunteer, and deep love for his family. His courageous battle with cancer has left a profound void in our hearts and within our community.

Edward made significant contributions to our community, serving as a daily traffic patrol for four consecutive years at Somerset Elementary School. He played a key role in establishing the emergency preparedness program there and was a big supporter of the Somerset Auction. Edward provided gun safety and self-defense training for high school students and was actively involved in supporting local law enforcement, Seattle Children's Hospital, and food banks. His dedication and generosity touched the lives of many, and he will be deeply missed.

We extend our heartfelt condolences to Edward's family as they navigate this difficult time. To support them, we have set up a [MealTrain](#) program where you can sign up to provide meals.

Additionally, a [GoFundMe](#) page has been created to assist with any financial burdens they may face in the future.
