Tyee PTSA Python Bytes Club

Tyee PTSA Python Bytes Club Coach Recruitment

Join Python Bytes as a Student Coach and make a positive impact on the next generation of programmers! We are actively seeking high school students to mentor and guide middle schoolers in the fundamentals of Python programming. As a Student Coach, you will not only gain valuable volunteer hours but also have the unique opportunity to collaborate closely with experienced Professors and Professional Programmers.

Encourage your high schooler to apply today and spread the word within your community for any interested high school students.

Don't miss out on this exciting opportunity! Apply now by visiting our Job Description and APPLICATION page before these positions are filled.

Calling for Parent Volunteers In addition to Student Coaches, Python Bytes is also looking for dedicated parent volunteers to support our club. We have the following positions available:

- **Co-Chair - 1 position**
- **Coach/Mentor - multiple positions**

Please contact pythonclub@tyeeptsa.org for any questions. Your support is greatly appreciated!

Tyee PTSA Robotics Club Parent Information Night

Join us for Tyee PTSA Robotics Club's Parent Information Night on Tuesday, September 19, 2023, at 6:30 PM, now taking place in Tyee Middle School Classroom #1304 (please note the correction from 1034). This informative event will be hosted by *Mr. Burke*, Tyee's Engineering teacher and Robotics Group Coach & Mentor, along with *Prasetha Warrier*, Chair of the Robotics Club. We encourage you to attend this session to discover more about the Robotics Club, its exciting competitions, and to have your questions answered.

Registration link will be provided at the session and club starts on September 21. More information, please visit Robotics club Web Page. Contact roboticsclub@tyeeptsa.org with any questions
