Achievements from Tyee Future Problem Solving Club **Announcement from the Future Problem Solving Club** We are thrilled to share that a record-breaking 56 out of our 88 team members have earned invitations to compete or receive awards at this year's State Bowl! The event will be held at Warm Beach Camp in Stanwood, WA, from March 20-22. Among our achievements, 10 out of our 16 middle level teams, 3 out of our 5 junior teams, and 1 of our 2 individual competitors have secured their spots. We also have exciting news regarding our Scenario Performance participants: Eesha, Ted, and Claire have all qualified for the State Bowl and are guaranteed top 6 finishes out of 11 entries. They will showcase their performances on Thursday night at the State Bowl, vying for the title of the best in the state and a chance to be invited to the International Conference. Your hard work and dedication are truly commendable, and we'll be cheering for you all on Thursday night! Additionally, we want to congratulate our Scenario Writers who have already excelled at the state level: Claire finished 4th in the state at the middle level, Siddharth finished 5th in the junior level, and Olivia finished 4th. Lily's exceptional writing earned her the title of State Champion at the junior level, and she has been invited to represent Tyee at the International Conference in Indiana! Your accomplishments are a testament to your talent and commitment. To everyone who entered as a performer or writer, whether you are heading to state or not, we are incredibly proud of the hours of effort you have put in. Congratulations to all Tyee FPS club members for your outstanding achievements! **Newport Knights Interlake Saints Athletics in High School** If your student is planning to play a Newport High School sport or Interlake High School in the spring, summer or fall of 2024, and you need to have a BSD high school medical history and physical examination form signed by your pediatrician.
