

Tyee Robotics Club

Student Questionnaire

Thank you for applying to join the Tyee Robotics Club! This questionnaire helps us understand your commitment, interest, and readiness to work as part of a competitive team. Please limit your responses to the space provided. **Answer all questions honestly with concise and direct answers.**

Name: _____ Grade: _____

What name would you like to be called? _____

Are you a returning member? Yes No

1. Passion & Interest

- What excites you most about joining the Robotics Club and First Lego League (FLL) Challenge?

- Tell us about a time you explored something on your own (a project, hobby, or interest) because you were curious or excited to learn more.

2. Commitment

- During September to December, do you have any other after-school clubs or activities that you currently do or plan to participate in? Please list these as well time needed for these activities (e.g. Soccer - meet 2 hrs per week M - F 3-5 PM, games 4 hrs. on Saturday 12-4 PM).

- Robotics Club meets 2-3x a week on Mondays, Thursdays and Saturdays from Sep until December. Outside of the meeting times, you are also **expected** to spend your non-school time researching an innovation project, complete assigned homework, write and test code, prepare written documents and presentations.

How will you make sure you can commit to this schedule?

3. Teamwork

- Share an example of when you worked with others to solve a problem or complete a project. **What role did you play?**

4. Experience (Optional)

Have you participated in the First Lego League (FLL) before? If yes, please describe what you did and how your experience can enable you to contribute to the team.

Everything written is true and honest and of my own personal effort.

Student Signature: _____ Date: _____

Parent Questionnaire

Parent / Guardian Name: _____ Phone #: _____

Parent Email: _____

Student Name: _____ Grade: _____

1. Do you support your student's commitment to **attend meetings regularly and complete work outside of the meeting times**? This includes researching an innovation project, completing assigned homework, writing and testing code, preparing written documents and presentations.

Yes No

2. The Robotics Club competition runs from **Sep - Dec**. In past seasons, we found that if a student has other commitments (sports, clubs, other activities) at the same time, they will be unable to do all the work required outside the meeting times. Do you support your student's commitment to prioritize Robotics Club work during this period? This means that **you are agreeing not to sign up to any other activities during this period**.

Yes No

3. Do you understand that there is a 4-strike rule: any misbehavior or unexcused absence, non-completion of homework counts as a strike. **Accumulating 4 strikes results in removal from the club?**

Yes No

4. Do you understand that **Parents are required to Volunteer** to manage the classroom and encourage students to stay on task. Parents are **not required to coach** the teams this year.

Yes No

5. Are you willing to help your student/s with transportation and encouragement so they can fully participate?

Yes No

6. Do you understand that parents are expected to sign up to bring snacks/drinks for **all** students in the club?

Yes No

7. Do you understand that there is a **non-refundable fee** of \$310, even in the event of removal from the club?

Yes No

8. Do you understand that students are expected to follow all safety rules, and that selection is based on both commitment and a fair lottery process due to limited space?

Yes No
