

Tyee Rocketry – Overview

- First meeting is on October 3rd
- Mr. Burke is the club mentor, with three high school coaches to support the kids
 - Eugene, a 12th grader
 - Varun, a 12th grader
 - Ishaan, an 11th grader
- **The club will meet for almost the whole school year**
 - Being able to meet the attendance requirements is a prerequisite (more info below)
- We are looking for committed students who are **very interested** in rocketry - no prior experience is necessary, just a passion for learning
- Students will first learn the basics of rocket construction and then apply that knowledge to build a TARC competition rocket in a team
- Students may get the chance to listen to guest speakers such as employees at NASA, and Blue Origin, in addition to tours of industry facilities such as Aerojet Rocketdyne in Redmond and the Museum of Flight.

Tyee Rocketry - Student Application Form

(students fill this out with parent assistance)

Name: _____ School Email: _____

Grade: _____

Parent's Name: _____

Parent's Email: _____

Please write clearly and concisely 😊

Why are you interested in rocketry?

What thing do you enjoy learning about the most and why? *Can be anything, including something not from school.*

What other activities or extracurriculars do you participate or are interested in?

What special skills/talents do you think you will bring to the “*launchpad*” for Tyee Rocketry?

Tyee Rocketry – Family Contract

Please review the following information with your parents and ***check each box*** to verify that you have read it.

I understand I must meet the following time commitments:

- October - December
 - Every Thursday from 5-7PM
 - Launches: Saturday (Twice a month: 9AM-12PM)
- January - April
 - Every Tuesday and Thursday from 5-7PM
 - Launches: Saturday (3 - 4 times a month - 9AM - 12PM)

I understand that there is a 4-strike rule in place. Any misbehavior, absence without prior notification will count as a strike. Accumulating 4 strikes throughout the year will result in removal from the club.

I understand that there is a nonrefundable fee of \$570.

I understand that parents are expected to be part of a weekly rotation to bring meals for students.

I understand that parents are expected to be drop and pick up students on time for both meetings and launches.
