

Tyee Rocketry Club 2026–2027

Student Questionnaire

Thank you for applying to join the Rocketry Club! This questionnaire helps us understand your commitment, interest, and readiness to work as part of a competitive team. Please limit your responses to the space provided. Answer all questions with concise and direct answers.

Student Section

Name:

What name would you like to be called?

Grade:

Did you apply to Rocketry Club last year? ☐ Yes ☐ No

1. Passion & Interest

- What excites you most about joining the Rocketry Club?

- Tell us about a time you explored something on your own (a project, hobby, or interest) because you were curious or excited to learn more.

2. Commitment

- **Rocketry Club meets twice a week (M and Th 4PM-6PM) plus Sunday launches (9AM-12PM) until APRIL 1st 2027.** How will you make sure you can commit to this schedule? Four strikes, or unapproved absences, will get you removed from the club, please list any known conflicts that will keep you from honoring the team commitment.

3. Teamwork

- Share an example of when you worked with others to solve a complex problem or complete a large project. What role did you play?

4. Perseverance

- Sometimes rockets fail, and we must troubleshoot and rebuild. How do you react when things do not work the first time?

5. Safety & Responsibility

- Why do you think safety is especially important in rocketry?

Because it makes sure that everyone's health is intact as well as them not being injured, and more importantly it makes rocketry more fun!

6. Experience (optional)

- Have you participated in Rocketry Club or other STEM/engineering activities before?
If yes, what did you do and how did you feel about that experience?
