

Frequently Asked Questions (FAQ)

Tyee PTSA Math Club

What are the qualification requirements for joining the Tyee PTSA Competition Math Club?

- ❖ You need to be a registered Tyee Middle School student.
- ❖ You or your family need to join Tyee PTSA. <http://tyeepsa.org/Package/Join>
- ❖ Join club and pay the registration fee at <https://tyeepsa.org/Package/CompetitionMathReg>

If my student did poorly on the placement test, will he/she get rejected from the club?

No.

The purpose of the placement test is to assess students' math knowledge levels. We use it to help put them into 6 different class levels.

What if a student feels the class is too easy or too hard? Is it possible to switch classes?

Absolutely.

Please contact tyeemath@gmail.com with your concern. Our coaches will make adjustments if necessary.

How much is the registration fee?

The registration fee for 2022-2023 is \$60.00. Financial aid is available. Please contact school counselors for eligibility and application information.

If a student does not take club classes, will there be a discount for the club fee?

No.

Club fees are used mainly for 5 purposes: 1. competition registrations, 2. Appreciation gifts for school staff, 3. club end of year party, 4. printing and copying, and 5. club t-shirts.

Club coaches do not get any compensation for their services. They do it all voluntarily.

I'm only interested in AMC contests, do I need to join club?

It is not required to be a club member to register for AMC contests.

We also host MIC, MathCounts, and a few other competitions that requires club membership.

Will you help find teammates for team competitions?

We can not guarantee to find a team for you.

During team registration, there will be a section for individual contesters. If there are enough of them, we will randomly group them together to form a team.

We have a team of 4, but one of the team members did not join the club. Could we still participate in team competitions?

Yes and no.

Other than AMC8 and AMC10A, all competitions require club membership. You will not participate with the whole team, but with only the members that joined the club. We may also fill in other students if there's a need.

Can I get a refund?

The registration fee is non-refundable.

I didn't get the emails other people were talking about.

First, make sure you are checking the email that was used to register. Second, check the junk/spam box. If you've done the above steps and still have not found it, contact tyemath@gmail.com or mathclub@tyepts.org.

I used my spouse's email to register. Now I want to change it to mine. How should I do it?

Please contact tyemath@gmail.com or mathclub@tyepts.org with your request. Please include the student's full name, grade, registered email address, and desired email address.
